

K-Love radio is an integral part of my life and the lives of my family and many friends. K-Love is quite literally a positive and encouraging station. It would be literally devastating to me and others to lose access to this source of encouragement and positive programming. I personally believe that it is self-evident that K-love programming is definitely in the public interest. There are numerous sources of alternative programming and allowing K-Love to remain on the air is fair, appropriate and in the public's interests. I strongly encourage renewal of their license. Thank you. Jeffrey K. Fager
